scroll or swipe to interact

**ABOVE & BEYOND**

Ever since the first Land Rover vehicle was conceived in 1947, we have built vehicles that challenge what is possible. These in turn have challenged their owners to explore new territories and conquer difficult terrains. Our vehicles epitomise our brand. Vehicles with exemplary design credentials and engineering capabilities. Which is how we continue to break new ground, defy conventions and encourage each other to go further. Land Rover truly enables you to make more of your world, to go above and beyond.

# DESIGN

[BUILD YOUR OWN](#)

Range Rover Evoque's confident design ethos makes a statement. Its distinctive coupé-like silhouette is finished with flush deployable door handles and 21" wheels. Whilst inside, the latest technologies make your journey easier and more connected. Our Pivi infotainment system and an Interactive Driver Display are featured, together with beautifully appointed material options. Helping to create a luxuriously finished modern, urbane space.

In-car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

Pivi and InControl features, options, third party services and their availability remain market dependent - check with your Land Rover Retailer for local market availability and full terms. Mobile network connectivity cannot be guaranteed in all locations. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected.

Vehicle shown is Range Rover Evoque Autobiography in Carpathian Grey with optional features fitted (market dependent).

## LEAD THE WAY

Range Rover Evoque features a range of innovative technologies including sleek Matrix LED headlights with signature Daytime Running Lights\* (DRL) and an adaptive beam. By splitting the main beam into vertical strips, the number of sections is maximised for ultimate visibility, while casting a shadow over oncoming traffic to help to prevent dazzling. Plus, Animated Directional Indicators are included, which reduce the time it takes other road users to recognise the direction you're heading.

\*The option shown has linked features.

Vehicle shown is Range Rover Evoque R-Dynamic HSE in Nolita Grey with optional features fitted (market dependent).

## INTERIOR DESIGN

Range Rover Evoque's confident design cues continue throughout its spacious interior. Uncluttered surfaces and reductive lines create a refined, premium-feel cockpit for you to settle into. Complemented by a carefully curated range of finishing materials to choose from, all offering enhanced comfort, you can tailor this contemporary space to your exacting taste.

## OUTSIDE, MEET INSIDE

Bring natural light and a greater sense of space to your Range Rover Evoque's interior. The addition of a fixed or sliding panoramic roof<sup>1</sup> invites the outside in. All at the touch of a button. There are three colourway options to choose from: matching body-coloured<sup>2</sup>, or contrasting Corinthian Bronze<sup>2</sup> or Black<sup>2</sup>.

 BUILD YOUR OWN

<sup>1</sup>Selecting sliding panoramic roof option will reduce front and rear headroom.

<sup>2</sup>Model dependent.

## INTERIOR PERSONALISATION

There are ample material options to choose from to furnish your Range Rover Evoque. Contrasting or complementary colourways are available in a variety of innovative materials: DuoLeather\*, Kvadrat premium wool blends with Dinamica® suedecloth, Eucalyptus textile with Ultrafabrics™\*. Sustainable, breathable and responsibly sourced, they create the most comfortable and utterly sophisticated of spaces. Sleek details like stitching on the facia only add to the refined feel.

## SIMPLICITY AS STANDARD

Find what you're looking for quickly without getting lost in menus, screens and hidden features. Range Rover Evoque's infotainment system, Pivi, features an intuitive Touchscreen interface, for greater efficiency and enjoyment. Reach everyday tasks in two taps or less, right from the home screen. Upgrade to Pivi Pro\* and you'll be accompanied by the latest in-car artificial intelligence, providing features such as the self-learning navigation system.

\*Connected Navigation will require further subscription after the initial term advised by your Land Rover Retailer.

Your vehicle is prepared for Apple CarPlay. The services offered by Apple CarPlay depend on feature availability in your country, please see [apple.com/uk/ios/feature-availability/#apple-carplay](https://apple.com/uk/ios/feature-availability/#apple-carplay) for more information. Your vehicle is prepared for Android Auto. The services offered by Android Auto depends on feature availability in your country, please see [android.com/intl/en\\_uk/auto/](https://android.com/intl/en_uk/auto/) for more information.

All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

Pivi and InControl features, options, third party services and their availability remain market dependent - check with your Land Rover Retailer for local market availability and full terms. Mobile network connectivity cannot be guaranteed in all locations. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected.

## PREMIUM FUNCTIONALITY

With Land Rover Remote<sup>1</sup> as standard, your Range Rover Evoque is always in the palm of your hand. Preset your navigation, confirm your vehicle's location, check fuel levels and set the interior temperature - all before you've opened the car door. Along the way, intelligent re-routing can find you the best path to take, as well as updating parking availability, fuel price comparisons, café locations and traffic hotspots. Plus, optional Head-up Display<sup>2</sup> is available, which projects key information onto the windscreen in your line of sight, so you can sit back and just focus on the road ahead.

<sup>1</sup>Remote contains subscription services that can be extended after the initial term advised by your Land Rover Retailer. The Remote App will need to be downloaded from the Apple App Store/Google Play Store. <sup>2</sup>Requires Solar attenuating glass in some markets. Navigation directions on the windscreen only appear when Pivi Pro is fitted to the vehicle.

In-car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

Pivi and InControl features, options, third party services and their availability remain market dependent - check with your Land Rover Retailer for local market availability and full terms. Mobile network connectivity cannot be guaranteed in all locations. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected.

## ENTERTAINMENT FOR ALL

We know how important it is for you to stay connected. With Pivi Pro's Online Pack with Data Plan<sup>1</sup>, you can enjoy your favourite music streamed from multiple services, including Spotify, Tunes and Deezer, right through your Range Rover Evoque's speakers. As passengers, you can all take full advantage of the optional Wi-Fi Enabled with Data Plan<sup>2</sup>, streaming entertainment with up to 20GB of data per month. Whether that's browsing your socials, playing online games, or immersing yourselves in a movie.

<sup>1</sup>Fair use policy may apply. Standard 1 year subscription, which can be extended after the initial term advised by your Land Rover Retailer. <sup>2</sup>Fair use policy applies. After 20GB of data is used within a month, data speeds and functionality on vehicle may reduce for the rest of the month. For details of the Fair Usage Policy associated with this feature, please refer to the InControl Pivi Pro Terms at [landrover.com/pivi-pro-terms](https://www.landrover.com/pivi-pro-terms). Playback time is dependent on streaming provider and the definition of the video content. HD video will significantly increase data usage.

In-car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

Pivi and InControl features, options, third party services and their availability remain market dependent - check with your Land Rover Retailer for local market availability and full terms. Mobile network connectivity cannot be guaranteed in all locations. ## SEAMLESS CONNECTIVITY

Make life more connected and uninterrupted. Software Updates ensure your infotainment and control modules stay up-to-date, even when you're away from home. It means that your Range Rover Evoque just keeps getting better, and its automation makes for one less thing on your to-do list. Optional wireless device charging with phone signal booster\* allows you to charge compatible smartphones without the need for wires or a charging dock, keeping your interior free of clutter. While in the vehicle, your phone will use the vehicle's antenna for improved signal and clearer calls.

\*Market dependent. Engine dependent. Compatible smartphones only.

## WITH MERIDIAN™, YOU'LL FEEL MORE

Meridian's™ approach to in-car audio is all about managing the sound stage; intensifying the levels of depth, clarity and realism of the music, by using a combination of sophisticated acoustic technology and strategically positioned speakers.

Wherever you sit in the vehicle, you'll get the same concert quality sound. Each strike of the piano, every guitar pick, horn blast, chorus and melody reveals itself with precision and texture, just as the artist intended. It's intimate, dramatic and very atmospheric - whether you're off-road or stuck in rush-hour traffic.

EXPLORE MERIDIAN™

Meridian is a registered trademark of Meridian Audio Ltd. Trifield and the three fields device is a trademark of Trifield Productions Ltd. Features and their availability may differ by vehicle specification and market.

Visuals aim to represent the perceived placement of the musicians based on an occupant seated on the right side of the vehicle.

6 SPEAKERS

### 1. SOUND SYSTEM

Gives new levels of realism to your favourite music with a combination of speakers, channel amplifier, Audio Equalisation and Dynamic Volume Control.

12 SPEAKERS 1 SUBWOOFER 400W AMPLIFIER POWER

### 2. MERIDIAN™ SOUND SYSTEM

Brings detail and clarity to everyone in the car with strategically arranged speakers and a dual-channel subwoofer to deliver a full, sophisticated sound.

14 SPEAKERS 1 SUBWOOFER 650W AMPLIFIER POWER

### 3. MERIDIAN™ SURROUND SOUND SYSTEM

Enjoy an engaging, authentic concert hall experience as you're enveloped in the fullness and clarity of side, front and rear speakers seamlessly integrated using Trifield™ technology.

# CAPABILITY

[BUILD YOUR OWN](#)

Cutting-edge capability technologies are at the heart of every Land Rover, and Range Rover Evoque is no different. Featuring All Wheel Drive (AWD) to give you confident vehicle handling both on and off road, torque can be redistributed to maximise traction on slippery surfaces such as grass and snow. Or in extreme conditions where the front or rear wheels lose resistance completely, up to 100 percent of engine torque can be distributed to the opposite axle for optimum grip.

Vehicle shown is Range Rover Evoque HSE in Fuji White with optional features fitted (market dependent).

## EVERYDAY CAPABILITY

Optimise your vehicle by allowing intelligent Terrain Response 2 to select one of five terrain options, along with All Terrain Progress Control which enables you to set and maintain a steady speed between 1,8km/h and 30km/h in challenging weather conditions. It will help you out in mud, wet grass, ice, snow and on dirt roads. The result of this combination of systems working together is a vehicle undeterred by tough environments. Plus, with the addition of optional Advanced Tow Assist\*, you can take any equipment wherever you want to go.

\*Engine dependent. The option shown has linked features.

## A CONFIDENT OFF-ROAD EXPERIENCE

With ClearSight Ground View<sup>1</sup>, you can effectively see ‘through’ the bonnet and display multiple exterior views as you drive. Selecting Adaptive Dynamics<sup>2</sup> via the Touchscreen lets you experience your Range Rover Evoque’s tightest body control, with flatter handling and sharper responses.

And, if you want even more control of your drive, optional Configurable Dynamics<sup>2</sup> is available to enhance either driving refinement and your comfort or the vehicle’s performance. Allowing you to configure throttle mapping, gearbox shift points, steering settings and suspension to suit your driving needs.

<sup>1</sup>ClearSight Ground View dependent on 3D Surround Camera. Image is not live. Check surroundings for safety. Subject to local regulations. <sup>2</sup>Engine dependent.

# PERFORMANCE

[BUILD YOUR OWN](#)

Electric power now propels our vehicles into an exciting new era. Range Rover Evoque Plug-in Hybrid combines a 3-cylinder, 1.5 litre petrol engine with an electric motor to deliver a total output of 309PS. The electric motor can either supply its power in parallel with the engine, or drive the vehicle in the selectable Electric Vehicle (EV) Mode. The 15kWh battery gives the vehicle an all-electric range from a full charge that is capable of managing most city commutes.

EV range figures are based upon production vehicle over a standardised route. Range achieved will vary dependent on vehicle and battery condition, actual route and environment and driving style.

## MILD HYBRID ELECTRIC VEHICLE (MHEV)

Producing maximum-efficiency power, Range Rover Evoque offers Mild Hybrid engines that use a battery to harvest, store and cleverly redeploy energy normally lost during deceleration. MHEV vehicles also incorporate an enhanced Stop/Start system that enables the engine to shut down as the vehicle decelerates, preserving even more energy.

## P300 HST (MHEV)

The powerful P300 engine offers class-leading flexibility and a more engaging drive, with near-instantaneous boost pressure delivery. Featuring Active Driveline technology, switch seamlessly between two and four-wheel drive, as the demands of terrain and weather conditions change. Available on the high-performance Range Rover Evoque HST.

[BUILD YOUR OWN](#)

Range Rover Evoque has been created and engineered to make the most of modern life. Optional Powered Gesture Tailgate\* enables you to open and close the tailgate from the kerb without using your key fob or touching the vehicle. Whether you're loading the weekly shop or bulky luggage, you can do so with minimum fuss. Sensors on either side of the vehicle ensure you can deploy the system safely from the kerb: simply deliver an upward-kick movement beneath the sensor to operate.

## A HEIGHTENED VIEW

Stay in control at all times. Optional ClearSight Interior Rear View Mirror<sup>1</sup> provides an unobstructed view of the road behind you, regardless of rear seat passengers or objects in the loadspace.

The 3D Surround Camera<sup>2</sup> allows you to see more. New 3D exterior perspectives, alongside a 360° overhead view, make manoeuvring easier than ever.

<sup>1</sup>Model dependent. The option shown has linked features. Feature subject to local regulations. If bifocal or varifocal users cannot easily adjust focus on the ClearSight digital rear view image, they may revert to rear view mirror mode at any time.

<sup>2</sup>The option shown has linked features.

## YOUR IDEAL ENVIRONMENT

Optional nanoe™ ionisation enriches driver and passenger wellbeing, by improving air quality inside your vehicle.

Activate the PURIFY button and the specially designed filter captures fine particles from the outside air, such as PM2,5 and airborne allergens like dust and pollen.

Keep everyone relaxed and comfortable with the intelligent Two-zone Climate Control function. By allowing you to adjust the temperature in the first two rows, you can create the optimal climate inside your Range Rover Evoque, no matter the weather outside.

nanoe™ is a trademark of Panasonic Corporation.

## DRIVER ASSISTANCE PACKS

### BLIND SPOT ASSIST PACK<sup>1</sup>

**Blind Spot Assist**<sup>2</sup> - If another car is detected in your blind spot when you begin to change lanes, a warning light illuminates in the corresponding door mirror and steering torque encourages you to guide your vehicle away from potential collision.

**Clear Exit Monitor** - Warns passengers as they exit of approaching hazards, such as passing vehicles and cyclists.

**Rear Traffic Monitor** - Warns you of vehicles, pedestrians or other hazards approaching from either side. Particularly useful when reversing out of a parking bay.

<sup>1</sup>Optional feature. Model dependent. The option shown has linked features. <sup>2</sup>Blind Spot Assist can help prevent collisions. If your vehicle detects another car in your blind spot when you begin to change lanes, a rotational force is automatically applied to the steering wheel - indicating a steering correction should be made.

### DRIVER ASSIST PACK<sup>1</sup>

**Blind Spot Assist Pack** - Contains the features of Blind Spot Assist Pack: Blind Spot Assist<sup>2</sup>, Rear Traffic Monitor and Clear Exit Monitor.

**Rear Collision Monitor** - If a vehicle approaching from behind is not slowing down, Range Rover Evoque will attempt to alert the approaching driver to brake by automatically flashing the hazard lights.

**Adaptive Cruise Control** - Keeps your vehicle a safe distance from the vehicle in front, should it slow or stop when you're cruising or travelling in slow-moving traffic. If the vehicle in front stops, you will come to a smooth halt.

RANGE ROVER EVOQUE AUTOBIOGRAPHY

## EDITIONS

Two exclusive editions are available. Range Rover Evoque Bronze Collection's unique design makes a sophisticated statement. Available in a choice of three colours, it features a striking Corinthian Bronze contrast roof and new 20" Satin Dark Grey wheels. If it's robustness you're looking for, the might of **Range Rover Evoque HST's** powerful P300 engine should do the trick. Substance doesn't come at the cost of style either, with carefully selected design features such as a Black contrast sliding panoramic roof\* and Black Exterior Pack.
